# LIVING IN SEOUL

## LIVING AT SEOUL COL.

SAPENA brand offers a timeless KOREA style that is cosmopolitan, sophisticated and rich in influences. Crafted from leathers and fabrics selected for their quality and designed for everyday wear the collection is eminently modular the supple silhouettes and trendy color palette allow outfits to be restyled and accented over time. Some elements are borrowed from clothing industry, The color palette features a broad array of neutral, earthy and muted shades that highlight the pure lines of the silhouette and compliment the body silhouette.
